# LOKALE ØL

## LOCAL BEER

### Herslev Pilsner

65,-

Økologisk pilsner efter tjekkisk forbillede med Herslev bygmalt fra lokale marker, og humle af bedste kvalitet fra det sydlige Tyskland. Øllen har en korngul farve og en frisk duft af humle, der på én gang giver eftersmag en behagelig kant og en frisk bitterhed.

### Herslev India Pale Ale

65,-

Økologisk India Pale Ale er brygget med inspiration fra den amerikanske IPA-tradition. Den store mængde humle tilføjer god skarphed i den fyldige smag, og en frisk duft af citrus, frugt og blomster. Farven er korngul og brygget med økologisk malte. Humlen er den primære smagsgiver i øllen, og balanceres med fylde fra malten og alkohol i gæren.

### Herslev Hvedeøl

65,-

Økologisk Hvedeøl er brygget efter traditionel sydtyisk metode. Den særlige karakteristiske gærsmag og cremede følelse i munden er tydelig. Gæren er den primære smagsgiver og tilføjer frugtsmag til øllet. Vi har brugt halvt bygmalt og halvt hvedemalt af bedste økologiske kvalitet. Farven er flot gul, og duften er fin frugtagtig

### Herslev India Dark Ale

65,-

Økologisk og brygget på bygmalt og aromatiske humletyper, som giver en frisk duft af humle og citrus. Engelsk chokolademalt runder øllet blødt af, og den mørke farve kommer fra ristet hvede- og bygmalt. Den store mængde New Zealandsk humle giver en god, frisk bitterhed. En øl med fylde.

### Herslev Porter

65,-

Økologisk Porter en brygmæssig smeltedigel af maltsorterne münchenermalt, bygmalt og hvedemalt. Øllets flotte sorte farve kommer fra den ristede spelt og balance og blødhed er skabt med engelsk chokolademalt og rørsukker. Skummet er tykt, stabilt og lyst nougatfarvet, og konsistensen fyldig og cremet og blød.

### Herslev Sæson

65,-

Herslev Bryghus udvikler hele tiden nye øl, og skifter løbende efter sæson. Se i baren, eller spørg din tjener, efter hvilken der er på hylden netop nu.

## FADØL / DRAFT BEER

Carlsberg	35,- / 55,-
